Wood Shop Monitor
Supervised student use of the wood shop, including use of power tools and a laser cutter. Provided guidance on art and architecture projects while maintaining a safe environment.

FORTERRA | Seattle, WA

06 - 08 / 2016

Doris Duke Intern

Worked as part of a four-person team to explore the Millennial mindset regarding livability in the greater Puget Sound region through a combination of filmed interviews and widespread polling. The team co-authored an editorial for Ampersand magazine and produced 14 videos for a multimedia website.

DORIS DUKE CHARITABLE FOUNDATION /
UNIVERSITY OF WASHINGTON | Seattle, WA

06 / 2015 - 08 / 2016

Doris Duke Conservation Scholar

2016 Developed a research project around perceptions of green space and urban density in the greater Seattle area. Conducted an online survey and presented findings in the form of a poster at the program summit.

2015 Engaged with ecologists and conservation professionals to analyze the impact of human development on natural environments, learn different conservation approaches, and discuss how conservation is related to cultural heritage and environmental justice.

WESLEYAN UNIVERSITY WEB AND VIDEO SERVICES | Middletown, CT

01 - 05 / 2016

Videographer/Editor

Directed a three-person team to produce a series of short videos. Duties included developing content, scouting subjects and scheduling shoots, setting up and conducting on-camera interviews, and consulting on editing.
